Some of the many testimonials we received:

- Thank you so very much for a wonderful tour of the country. Robert (the driver) was fantastic. He was professional, personable, and a pleasure to work with. We consider you and Robert as a friend. **The guides were also excellent.** Your lady (guide) in Brno was a delight. She wanted to make sure you knew she said hello and that she holds you in the highest regard. The other guides were also the best. As noted, the entire team from you to Robert to all the guides was simply outstanding. **We very enthusiastically recommend you all.** The overall construction of the tour.....hotels, routes, tours, etc., was well done. We had excellent meals and the beer was as good as expected. **Thank you for making this trip excellent in all aspects.**
